Attachable Retro Style Bicycle Tool Bag

This bicycle tool bag is a great project to start with if you want to embark on your first project in three dimensions. It's easy, requiring only basic tools, and should take you no more than 2 working hours to complete. At the end, you'll have a great product that you can attach to any part of your bicycle or motorcycle.

Recommended Tools for this project:

Basic: mallet, hole puncher, prongs for stitching lines, rotary cutter or utility knife, blunt needles, pliers, sandpaper and edge slicker

Optional: french skiver and corner punching tools.

Straps length 40cm(15.5') -you might need to adjust that!

For instruction you can watch our video on YouTube
